Mr. Carpenter began his ministry in 1961 as the Area Director for Young Life in Pittsburgh. As Regional Director, he worked in Ohio, West Virginia, Pennsylvania and New York. He then was promoted to Director of Young Life's Northeast Division, which included Eastern Canada.

Mr. Carpenter has been an advisor to many faith-based organizations and business corporations has served on various boards and committees, including Communities in Schools, International Urban Associates, National Center for Protection of Children and Families and WQED Enterprises.

He graduated from Fairfield University (CT) with a Bachelor's degree in Sociology and received a Master's degree in Biblical Studies from Young Life Institute, Fuller Theological Seminary (CA), and an honorary Doctorate in Humane Letters from Geneva College (PA).
